Habitat for Humanity -Marty explained the Habitat for Humanity program

- New house started every 10 minutes worldwide
- Now buying foreclosure homes and rehabbing to resell to low income
- See's a real benefit partnering with Plumbers Without Borders

V. **CODE:**

Cleanouts – Where, Why, How UPC 707 & Table 7-6- Fred Volkers

- Reviewed locations,
- Clearances,
- Size, what determines the size of the cleanouts listed in table 7-6. It goes back to the Cast Iron with Lead & Oakum.

What is an Invisible Seal? A concealed fouling space where you cannot see the seal of a trap by looking in the tailpiece

VI. **OLD BUSINESS:**

The Annual Picnic: Picnic date is August 20, 2011 will co-sponsor with PHCC.

VII. NEW BUSINESS:

- Membership voted to approve the use of the chapter contact list for Plumbers Without Borders.
- Dept. of Health – Gray water policy is written and close to being complete. Looks like there will be three tiers, brief outline as follows:
 - Tier 1:** Registered through local jurisdiction & record on property
 - Tier 2:** Expanded from tier-1 with pump & storage
 - Tier 3:** Other than subsurface, includes commercial/multi use, re-use w/treatment.
- Grey Water systems will be allowed if site is on sewer only, not if on septic.

Meeting to be held the 3rd Wednesday of April at the State Dept. of Health in Tumwater.

VIII. GOODWILL:

- Drawing

IX. NEXT MEETING:

Razzi's in Greenwood
