

## **IAPMO Northwest Washington Chapter**

### **Meeting Minutes for 4-6-2018**

#### **6:00 - Call to Order and Flag Salute**

#### **Chairman Report – Steve Hart**

Spoke about plan reviews in the city

Has manufactured ¼ scale fittings to use as training tools, using these fittings he can build whole systems, whether that is standard venting, circuit venting or horizontal wet venting these mini fittings allow him to set up a system in a relatively small place

This will be used at the yearly WABO conference and any other training

#### **Michael Cutwright – Mechanical Engineer – Nightly Presentation**

Pipe sizing presentation using appendix A as opposed to chapter 6

Michael led everyone on a sizing project using pressures and elevation and sizing it using Appendix A

Showed methods for figuring out pipe sizing, pressure and friction loss, distance etc.

A Healthy Question and Answer period followed

#### **Ed Holmes – Plumber Advisory Board**

Thanked Steve for all the work training the UPC to inspectors around the state

**Steve Hart and Steve Nastruz – Plumbing questions answered**

**Treasurer Report –**

\$5330.00 in bank

Received check from MCA and Local 32 for Officers Installation Dinner

**New Business –**

Larry with Prima Plumbing brought in some bad plumbing examples

Chapter received a letter from Plumbers Without Borders thanking the chapter for the \$250.00 donation

**Old Business** - None

**Drawing** – Mag Light, t-shirts, coffee cup, code book, cash

**Meeting adjourned – 7:30**

Respectively Submitted
