

Meeting Notes

March 6, 2008

TIME: 6:30 PM **LOCATION:** Romio's Pizza & Pasta

I. **CALL TO ORDER:**

- Pledge of allegiance
- Self-Introductions

II. **READING OF MINUTES:**

Minutes from February accepted as corrected.

III. **PROGRAM:**

John Logan with Specification Sales: John gave a presentation on PCV Sovent System. ProVent product is a PVC Single Stack Vent System with Whisper-Quiet Shell pipe to minimize noise. Highlights: Easy to install, saves on material and labor. The design of the system needs to be stamped by an engineer licensed in the state of WA. No changes without the engineer's approval. Requires approved under Alternate Methods prior to being installed. Ideal for the dwelling units in hotels apartments etc.

- V. **CODE:** It appears the code does not address how water heaters are to be installed if more than one is required. Are they to be installed in parallel or in series? This is a situation where you need to follow the manufacturer's installation instructions. It was shared that when a circulation pump is installed that they water heater's need to be installed in parallel not series.

VI. **OLD BUSINESS:**

The Annual Picnic: Membership voted for the picnic to be held September 13, 2008.

VII. **NEW BUSINESS:**

Membership voted and approved to have the monthly minutes electronically sent via email. Fred will attach the prior months meeting notes to the Meeting announcement so membership has an opportunity to review the minutes and be prepared to add comment or correction during the meeting. Meeting notes will not be read during the meeting. Membership will be asked to vote on the minutes as distributed, with correction if there are any.

VIII. **GOODWILL:**

- Drawing

IX. **NEXT MEETING:**

April 3, 2008. Steve needs a volunteer to take notes for the April meeting. He will be out of the country on vacation
